# JiTT vs Travel Apps

JiTT gathers the most important features of Travel Apps and its the only one that present, to each different user, an unique itinerary.

*Taylor Made* contents are prepared to be placed on a dynamic and history deluxe guide.

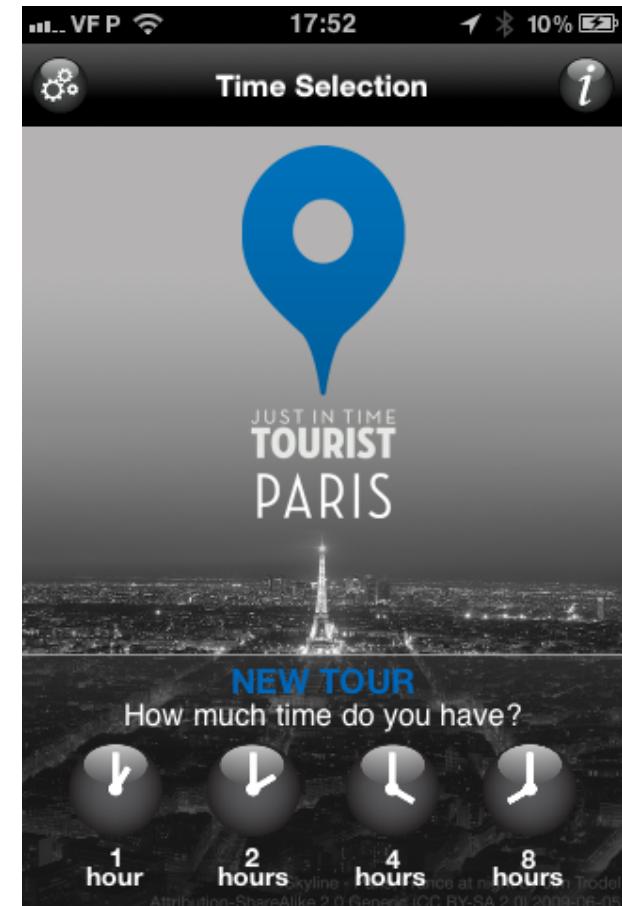

JiTT present a reinvented concept of a “Walking Tour”.

## Attending Mobile World Congress 2011 in Barcelona? You Need These Apps

by Marianne Schultz

Mobile World Congress, the annual conference focused on mobile technology, is taking place in Barcelona this week. If you're attending the conference, you have earned our jealousy and some attention from iOS developers. Several apps about Barcelona are current free or on sale this week to make it even easier for you to enjoy your stay in the lovely capital of Catalonia.

First, there's the official Mobile World Congress app that contains exhibitor and floor plan information.
